15  
16 The Court held a discovery conference call with the parties on November 1, 2005.  
17 The Court ordered that the confidentiality order to be entered in this case may provide that  
18 Mr. Bouamama does not have access to private information concerning witnesses in the  
19 case or confidential financial information about Go Daddy. The Court also ruled that the  
20 confidentiality order may provide that court reporter must sign an agreement to be bound  
21 by the confidentiality order. If the parties find they have difficulty arranging for court  
22 reporters under this provision, they should place a conference call to the Court with the  
23 court reporter on the line.

24 The Court also directed the parties to engage in further discussions concerning the  
25 disclosure of contact information regarding employees. The Court concluded that the
